ABOUT ME

I am Mojares Diamond Ace M., a student at PHINMA University of Pangasinan who is currently taking up a Bachelor of Science in Information Technology. My passion for the growing technology world drives me to explore innovative solutions and deepen my understanding of the ever-evolving digital landscape of IT. I enjoy working on Python projects that challenge my skills and creativity.

Work immersion at CITY HEALTH OFFICE
CHO LABORATORY | 90 Hours

PROJECT

PEX TRACK(Personal Expenses Tracker App) 2024 - present
Full Python

The PEX Track app is a personal expense tracker designed to help you keep track of your spending and managing your budget. It makes budgeting and managing your finances easy by letting you record every expense in one place, so you always know where your money is going.

- Manage and assign task to the team
- design and develop the application using Python
